# TBS

MINI SERVER

Compact industrial PC with Windows 10 LTSC with TBS WebEdition biometric server installed and pre-configured. Ordered licenses will be activated by TBS before shipping.

- Manage all TBS biometric readers and users of a biometrics installation
- Automatically connects up to 25 TBS devices (TBS recommendation, there is no reader limit)
- Synchronizes all biometric user data in the system among the connected TBS readers
- Collects all access events from TBS readers
- Easy mounting and wiring
